Robert Bonazzi, Editor
LATITUDES
6102 Sherwood
Houston, Texas 77021

Dear Mr. Bonazzi:

Mr. Weisberg had hoped to find the time to write you to thank you for the copies of LATITUDES which you were kind enough to send us. Unfortunately for his good intentions, the little time he has at home these days is mostly taken up with preparations for his next trip. And that is the situation he found himself in on this.

Your magazine is well designed and attractive and we hope it will be quite successful. You have our best wishes for its success.

= And we do very much appreciate your kindness in inserting an ad for us. It was most thoughtful of you to devote such care in its execution, and we are grateful.

All good wishes from us both.

Sincerely,

Lillian Weisberg
